## Tube Doors

Design: 1001

Tube: 60 x 20 mm

T945

RAL9005  
structura

A close-up photograph of several parallel wooden slats, likely part of a chair or bench. The slats are made of a light-colored wood with a visible grain pattern. They are arranged in a slightly overlapping manner, creating a sense of depth and texture. The lighting is soft, highlighting the natural grain and the smooth finish of the wood. In the background, a dark, possibly black, surface is visible, which appears to be the seat or backrest of the furniture.

Design: 1001  
Bars: 60 x 20 mm  
Wood color: T945

## 3D Inox

Design: 1011

T920

A close-up photograph showing a 3D stainless steel detail. The detail consists of two thin, polished metal strips that intersect at a right angle. One strip is oriented vertically, and the other is oriented diagonally. The background is a dark, textured surface, possibly a wall or panel, which provides a high-contrast backdrop for the metallic elements. The lighting highlights the reflective surface of the stainless steel.

3D Inox detail.  
Also available in Black color.

Page: 74 / 75

Door Style

## Bi-Color

Design: 1016

T925

T955

The image shows a close-up of a material with a two-color combination. A dark, textured material, possibly leather or a synthetic equivalent, is positioned in the lower-left corner. The rest of the surface is a light grey, speckled material, likely a special external aluminium facing. A diagonal line separates the two materials. A dark, metallic-looking strip runs along the top edge of the light grey area.

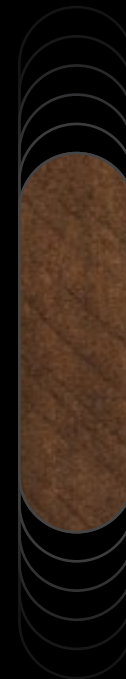

Two color combination with  
special external aluminium facing.
